

Grand Haven Woman's Club

The GHWC is dedicated to supporting charitable, educational, and civic activities to make a significant difference in the lives of residents living in our community.

In January 2005, twenty-two women residing in Grand Haven began working on plans to form a General Federation of Women's Clubs Woman's Club. The Grand Haven Woman's Club gained membership in the GFWC and District 6 of the Florida Federation of Women's Clubs in September 2005. Today, our membership exceeds 200 members.

Town Hall Q & A

This can only happen through the generosity of our members, sponsors and community.

We **CONNECT** to know the need. We **VOLUNTEER** to make a difference.
